Portfolio Project: Prompt 06 - Letter to Mr. Mainella

Prompt Overview: The objective of this prompt is to reflect on the presentation given by Mr. Mainella last week, let him know how his presentation relates to your goals and objectives for the year ahead.

Directions: Think about the main ideas, themes, or stories presented by Mr. Mainella during our time together last week. Was there something about the presentation that really stood out, or that made you think "hey, that guy is really making a great point about life in general"? Regardless of your place in life at this very moment, you and Mr. Mainella share one thing in common: goals.

Review the goals you set for yourself in Prompt # 2, and think about the ways in which Mr. Mainella's speech has impacted your personal goals for the year ahead. Have they changed? Do you now have a new goal, or a new outlook? What was the most important thing Mr. Mainella spoke about? Now is your chance to let Mr. Mainella know what impact his speech had on you.

Prompt: Please write a "thank you" letter to Mr. Mainella that not only thanks him for his time and insight, but also makes mention of the specific ways that his stories or advice have impacted you, your goals, and most importantly, your outlook on life and school. [150 words min.]
